PRESIDENT'S MESSAGE

Dynamic 2 - Fall 2026

Joanne Gray

What a wonderful year 2026 has been. District Two can be very proud of the many successful activities during the year. The Ski Tournament held in February at the Trollhaugen Recreation Lodge was a successful event for the visually impaired and an attraction to the athletically inclined ski enthusiasts and was a welcome beginning to a full slate of events for the year. The District Two 70th Biennial Convention, hosted by the Poulsbo Lodge, was held at the Conference Center in Bremerton, WA. It was well attended and convention attendees enjoyed the hospitality of not only the picturesque Poulsbo Lodge but by the welcoming of the local businesses as well.

The Border Fest held in July at the Peace Arch on the US-Canadian border continues to be a vital link between Canada and the U.S. Hopefully the spirit of unity will continue for many years to come. The month of July ushered in the Youth Camps held at Camp Trollhaugen at the Trollhaugen Lodge, Camp Nidaros at Gearhart, Oregon and Camp Normanna held at Lake Riley. I had the opportunity to visit the campers at Camp Trollhaugen and was so impressed by the enthusiasm of the campers.

Also, in July the annual Steak Fry and Horseshoe and Kubb Tournaments were held at the Trollhaugen Lodge.This was one of the best and most well-attended summer events. Louella Grangaard, International Chair and her family attended and were so impressed that they are planning to attend again next year.

Unfortunately, for the second year in a row, the Golf Tournament had to be cancelled due to lack of participation. Hopefully the 2027 Golf Tournament will take place. I know that plans are in process for a successful return of the tournament.

The Doreen J Parker Adult Heritage Retreat at Trollhaugen enjoyed a full house. We had many first timers partaking of the classes, networking and just plain fun, not to mention a lot of good food. Wrapping up the year we enjoyed many holiday festivals and lutefisk dinners. It was a wonderful year with a lot of hard work and dedication by many lodge directors, officers and members.

Looking forward, we are working on zone seminars to be held in each of the six zones. You will be hearing more about these seminars as plans are finalized.

VICE PRESIDENT'S MESSAGE

Dynamic 2 - Fall 2026

Bill Hicks

Hello to all;

Cannot begin to tell you how much I enjoyed the 2026 District Convention a big thank you to Poulsbo Lodge and its members for the wonderful time.It has been an interesting summer with the ability of attending many District and Lodge events.
We had a great turnout for the Trollhaugen Steak Fry, along with the Horseshoes and Kubb tournament with a wide variety of participants.We had the opportunity to attend the 91st Anniversary of Oslo Lodge #37 and the Borderfest in July at Peace Arch Park in Blaine.

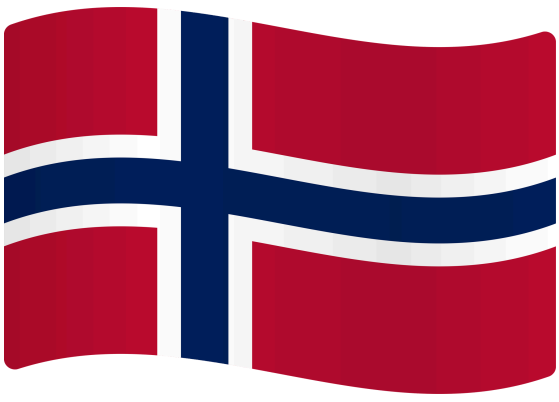

We also participated with Norden Lodge at the Hoodsport Fjordin Crossin. They place a barrel of Hardware Distillery Aquavit and Sail it across the canal with a bunch of kayakers and other assorted vessels all in tow. It was a great day. I am again reminded of the Awesome young people that we have running our Youth Camps. Chris and I had the opportunity to attend all the final programs and it still amazes me what the counselors and staff can teach all those kids in two weeks.I encourage you all If you get a chance to attend a final program. I also encourage you to send your kids or grand kids to camp it is a wonderful experience and there are scholarships available thru most lodges and the district.

As we prepare to move into 2027 we are reminded of the upcoming Zone seminars, the theme this year: "LEARN, CONNECT, AND INSPIRE". I am looking forward to working with the Zone Directors as well as the whole District 2 board to make the seminars a huge success. I hope to see a lot of you at the different Seminars. Times and Dates will be coming later this fall.

I am looking forward to working with the zone directors to assist in the working of the membership and how we can get the district growing. I look forward to seeing you all soon and am looking forward to working with all of you.

Hilsen,

Bill Hicks

SECRETARY'S MESSAGE

Dynamic 2 - Fall 2026

James Wraalstad

During the past two years, it has been my pleasure to serve the district as it's secretary. It has been challenging and rewarding experience.

I have produced and distributed the annual District 2 Directories to all the lodges and select individuals which filled hundreds of hours the first quarter of each year.

The distribution of the 2027 Directory will begin in late February 2027 which will include the updated District 2 Bylaws.

We just conclude the highly successful 2026 District Convention and are wrapping the year up with the Fall District 2 Board Meeting at Trollhaugen and welcome new officers, evaluate successes and plan the next two years.

I will continue to provide technical support for the district's web site.

COUNSELOR'S MESSAGE

Dynamic 2 - Fall 2026

Jerry Erickson

Greetings to all Sons of Norway members this fall of 2026.It has been my pleasure to serve as the District Counselor for the past two years. I have been available to advise and counsel local Lodge leaders and the District Board on issues and questions concerning the policies and procedures written for the District.

My primary responsibility over the past couple of years has been updating the District Policy and Procedures manual. There have been many changes and updates with changing information on how various parts of the District operate and conduct their business. I appreciate the help and assistance of a number of the District Officers in going over the sections pertaining to their responsibilities and offering corrections and updates. With the help of my wife Deanna we have reformatted the document to make it easier to use.

One section that required a significant update was Appendix J on how Lodges are to prepare and host District Conventions. A number of changes were done to incorporate the use of new technology in helping the meetings go well. Also with changes in governance from the home office, a number of changes were made to the conduct of the meetings.

I missed this years District 2 Convention due to back surgery. It's always a great way to bring people together and generate enthusiasm for our Order and provide good information for attendees to take back to their local Lodges.

Fraternally,

Jerry Erickson

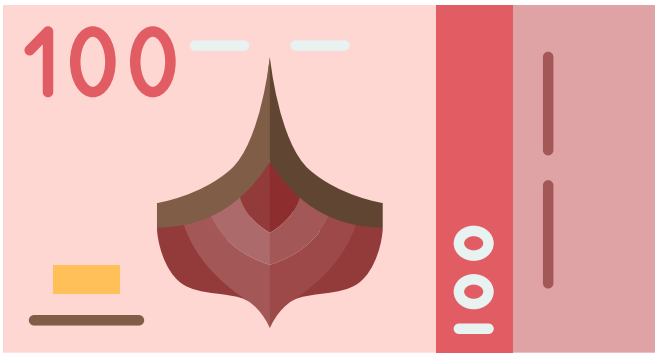

TREASURER'S MESSAGE

Dynamic 2 - Fall 2026

Dan Andrews

Hello from Central Oregon,

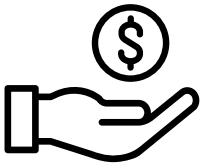

I first want to say a big thank you to the Poulsbo Lodge for putting on a wonderful convention. As this was my first time on the D2 Board seeing the convention process from beginning to end I got to see all the planning and hard work they put into the convention to make it happen. I really enjoyed walking thru the town of Poulsbo on Thursday before having dinner in their lodge. What an amazing town and one that I want to go back and re-visit.

Financially District 2 is doing well. Our biggest expense this year was the 2026 convention, and we still came in way under budget after all the bills were paid. The district provided a donation to all three youth camps, and Fedrelandet Lodge's Lil Fisk Derby this past May. The district also provided a $1,000 donation to Poulsbo Lodge for the convention.

One unexpected change was that the IRS changed mileage reimbursement from $0.725 a mile to $0.76 a mile mid-year. If your Lodge uses the IRS reimbursement schedule, you will want to make a note of that change.

I wish you all a wonderful holiday season. If you have any questions, please feel free to reach out.

FOUNDATION DIRECTOR'S MESSAGE

Dynamic 2 - Fall 2026

Mike Dyal

District 2 Foundation: Building a Culture of Giving

It has been a busy few months since I began serving as your District 2 Foundation Director in June. I have had the opportunity to meet and train with Sons of Norway Foundation leadership, learn more about the tremendous work being done through our scholarships and grants, and begin connecting with lodge presidents and Foundation Directors throughout District 2. One thing has become very clear to me: District 2 has an opportunity not only to benefit from the Foundation, but to become one of its strongest supporters.

I am pleased to report that District 2 will be making a contribution to the Sons of Norway Foundation. I hope this will represent more than a single donation, it reflects what we encourage our lodges and members to do—support an organization that sends resources back into our communities through scholarships, cultural programs, lodge projects, youth opportunities, assistance to members in need, and the preservation of our Norwegian heritage.

October Means Grants and Scholarships

October is an important month for the Sons of Norway Foundation because the annual grant and scholarship application season begins.

Grants for Lodges and Communities

Foundation grants can help lodges strengthen programming, preserve Norwegian culture and heritage, support youth activities, improve lodge vitality, and make a meaningful impact in their communities. Current Foundation grant programs include opportunities for cultural and heritage projects, lodge vitality, community partnerships, children's programs, and assistance to members facing serious hardship.

Lodges should look at what they are already planning and ask: Could the Foundation help us do this better?

Applying does not need to be complicated. Lodge leaders should:

1. Identify a project or need that fits one of the Foundation's grant categories.
2. Review the current grant requirements on the Sons of Norway Foundation website.
3. Determine what the project will accomplish, who it will serve, and what it will cost.
4. Gather the requested budget and supporting information.
5. Complete and submit the Foundation's online grant application before the applicable deadline.

FOUNDATION DIRECTOR'S MESSAGE

Mike Dyal continued...

I strongly encourage lodge boards to discuss potential projects and, where practical, assign a small group or individual to take responsibility for completing the application.
The Foundation awarded more than $100,000 in grants during the most recent cycle, including awards to District 2 lodges.

Scholarships: The Student Must Apply
The Foundation offers scholarship opportunities covering undergraduate, graduate, technical and vocational education, as well as educational experiences in Norway. The person seeking the scholarship must complete the application. My challenge to every lodge is simple: think about your members, their children and their grandchildren. Is there someone who should know these scholarships exist? Send the information to them. Do not assume someone else will tell them.

$60 for 60 Years
The Sons of Norway Foundation is celebrating 60 years of service as an independent Foundation, and members are being encouraged to participate in the $60 for 60 Campaign by making a $60 contribution. My challenge to every District 2 member is simple: if you are able, make your $60 for 60 contribution this year. Then encourage another member to join you.

A New District 2 Tradition Is Coming
We are also working on something I believe could become a fun and meaningful District 2 tradition. Following the recent passing of King Harald V, I proposed creating a Foundation award inspired by his lifetime of service. King Harald served Norway for more than 35 years and was remembered for his strong sense of duty, compassion, humor, and ability to see the good in others. Those qualities seem particularly appropriate when recognizing generosity and service.

The Board is still working through the details and criteria.
Help Us Build the Next Chapter. There are several ways every lodge can participate right now: identify a project that may qualify for a grant, encourage eligible students to apply for scholarships, participate in $60 for 60, share Foundation opportunities with your members, and tell the stories of what these gifts make possible.

Thank you to everyone who has already contributed, volunteered, shared Foundation information, or helped another member discover an opportunity. Sixty years of generosity deserves to be celebrated. Together, we can help build the next 60—and make District 2 a leader in generosity.

Hi everyone,

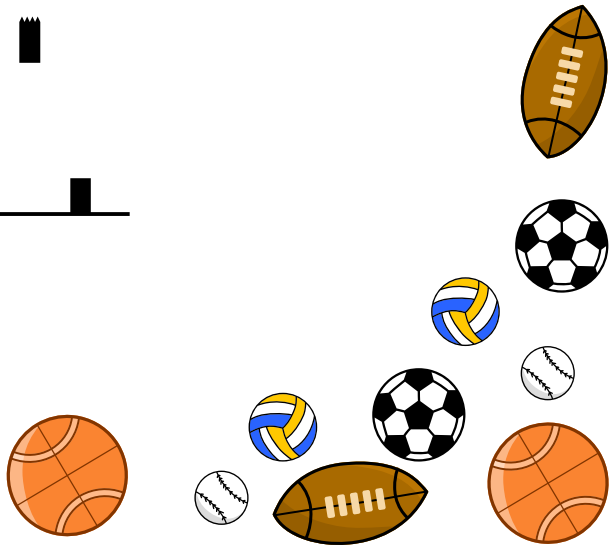

I sent out an email introducing myself to all the District Presidents and Secretaries back on July 7th. I've only gotten one reply so far, so Zone Directors, could you please pass my email sond2sportsdirector@gmail.com along to your lodges? I'd love to get everyone connected.

On a brighter note, I had a great time at the Trollhaugen steak fry on July 18th! A huge thank you to Sol-Land Lodge for putting on the Kubb and Horseshoe tournament. D2 President Joanne Gray and I got to hand out medals to the winners, a good time was had by al. Unfortunately, we had to cancel the golf tournament this year since we didn't have enough players sign up.

Looking forward, I'm excited for the 2027 Sons of Norway District 2 Cross Country Ski Tournament at Trollhaugen on February 6th, 2027. I'll be sending out more details very soon!

All 3 of the camps happened this summer. Learn more about the camps by reading the report of the Youth Camp Committee. About half of the kids that go to the Youth Camps are not active in Sons of Norway. Getting these kids involved in activities at your local lodges is also a great way to get new families into your lodges. Several of the kids at camp are friends of other Sons of Norway members.

District 2 is fortunate to have 3 camps during the summer. Camp Trollhaugen on Stampede Pass for 13–15-year-olds, Camp Nidaros in Gearhart, Oregon for 9–12-year-olds, and Camp Normanna in Arlington, WA for 9–12-year-olds.

YOUTH CAMP VIDEO: Kevin Melford has completed the video. and it is amazing. The video includes footage of all three camps and interviews with the camp directors. The video will be available this fall for lodges to view. to give a taste of what camp is like and how the three are very different. Brainstorming is being done with camp directors and counselors to provide an event for Unger Venner hopefully in the spring. Possible over spring break. More to come on this.
An event for this age group has not been done in a couple of years. I am happy to provide ideas on programs you can start and use at your lodge. Just send me an email.

Camp dates for 2027

Trollhaugen: June 27-July 10
Nidaros: July 11-July 24
Normanna: July 25-August 7

Greetings to All!

It has been several months since the D2 Convention in Bremerton put on by Poulsbo Lodge. It was a great time and I enjoyed reconnecting with old friends and meeting new ones. I was surprised and delighted by the number of first time delegates. Our lodge sent two newbies and it is great to give them the opportunity to experience this part of our District.

I have submitted content and photo submissions to the Viking Magazine every other month. In June and August, 2026 I have submitted 10 photos. I sent out emails to Lodge Publicity Directors, Editors, Presidents and Secretaries to make sure lodges are informed about my needs and deadlines for submissions to the Viking Magazine. Since not all photos sent to Viking are published, there is a place called Happenings where you can see the submissions that were not featured. I also send all submissions to our D2 Webmaster Joan Wraalstad.

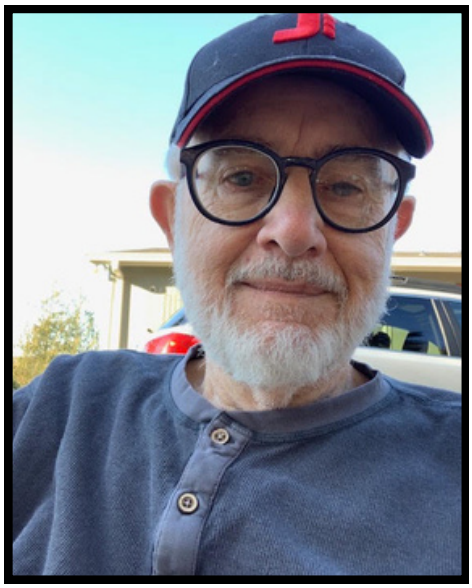

I am currently working on the 2026 Fall issue of the Dynamic 2. I have emailed International Board Director, District Officers, Zone Directors, Camp Directors, 2026 Convention chairs and Trollhaugen Board for their reports and pictures for this Fall Edition which I hope to publish by November 1, 2026. I am also in need any information on activities/happenings for the upcoming winter months that should be published, or ad updates.

I am available to help lodge officers with social media needs. Please encourage your local lodge to share your digital copies of your newsletters to other lodges as this helps share activity ideas of what lodges find successful. I am looking forward to any information you all have to share and continue working with the great Board District 2 has.

I find myself currently wearing three hats: Sonia Lodge (Eugene) I find myself currently wearing three hats: Sonia Lodge (Eugene) Vice President, District 2 Zone 1 Director and FBC.

Membership wise, our lodge held our numbers steady the first part of the year, plus we have welcomed five new members over the summer, with about eight more in the hopper. I feel very encouraged that we are on the upswing.

At the District 2 Convention, I was approached by delegates from all seven of the Zone 1 lodges, urging me to meet with them still this year. They are all looking for ideas to make their meetings more attractive, and to increase membership. That makes the job ahead both challenging and exciting for me.

About two weeks ago, our lodge had a table at the Eugene Emerald's baseball game. We were able to decorate the table with all of the trappings of Sons Of Norway.
Our Norsemen men's choral group was honored to sing the national anthem and were very well received by a sold out crowd.

The first half of the game saw a lot of traffic at our table...people interested in who we are! I was able to get the names of several people who are interested in becoming members.

I should complete the process of contracting with BetterLife, soon, and purchased my first product with the help of fellow FBC, Karen Frascone. Prior to retirement, I spent 40+ years the life insurance industry, and I'm eager to work with SofN members to help secure their futures.

Usually, a quiet time of the year for most of our Lodges, some have continued their normal summer hiatus's while others "Don't leave me in the dust ambition". I have tried to attend as many functions as recorded below.

Whidbey Island Nordic Lodge: 57 members So excited to see that a couple of members were able to attend the Convention in Bremerton and with Borderfest.
Summer events included a Pancake Breakfast for the community, participation in the Oak Harbor 4th of July parade with members and their boat. They also celebrated their 25th Anniversary.

Fritjov Lodge in Stanwood: 166 members - Summer saw members participating in the Troll Stroll 5K and Nordic Fest. In August fifteen members marched and rode their float in the Stanwood-Camano (The Fair) parade. A highlight was doing the "Ro" in front of the judges. Two members of the Lodge attended the Convention. Membership awards were recently presented to a 75th year member and posthumously to an 81st year member who had passed just shortly prior to the awards. Plans are being made for their yearly November Lutefisk dinner. In April 2027 they will be celebrating their 117th Lodge anniversary.

Wegeland Lodge in Bellingham: 39 members - Pretty quiet in Bellingham. Two members attended the Convention in Bremerton. Vaughn Hagen past member and President was honored posthumously by the award of "Man of the Year". His sister Vernene (Auburn) and brother Kaven were there also to accept the award. The Borderfest held at Peace Arch Park was a major activity for members. Plans are being made for their 100th Anniversary in 2027.

Abel Lodge in Conway: 57 members - This Lodge is letting no grass grow under their feet. Their goal is to put heat in the 2nd story and do some upgrading of the Lodge. It has been a busy Summer. In June the lodge was filled with music from Bellingham Damekor and the Everett Mannskor plus special music by a hardanger fiddle. The end of June saw a number of lodge members walking on the Friday Harbor ferry in costume to enjoy the day and spreading Norwegian culture to visitors on the ferry. July 4th they were in the Arlington parade and won the Executive Directors trophy. End of July they participated in Borderfest with princess HollieAnn becoming the Borderfest Queen.

Shirley Lovelace continued...

Over the summer a one week sewing class for young girls was held. The girls wer enjoying it so well they did not want the class to end. In August the members participated in the Back-to-School event and parade. The end of August we saw the tribe members at the Midgard Viking Festival in Arlington. Last weekend (Sept 18) was the Uffda 5.3K Run. Plans are underway for the Haunted House for Halloween. A shout out and many thanks to the officers, building committee and leadership team for all the hours and challenging work to keep the building usable, viable and create a positive example in the community. Abel will be celebrating their 95th anniversary in 2027.

Normanna Lodge in Everett: 1117 membersThis Lodge does pull back during the summer months to let members enjoy vacation time. Some activities do continue. Regular weekly activities include, Corn Hole, King of Clubs, Karaoke, Book Club, Chess Club, Country Line Dancing and Meat Raffle. During the summer months the Pancake Breakfast is on hiatus but will be starting up again in September. This summer the Lake Riley Fishing Derby was held and in July the Midsummerfest at Lake Riley. Lake Riley is also one of the youth camp sites. It is open to all Normanna members and is owned and maintained by members of Normanna Lodge. The lake itself spans thirty acres and sits of forty-five acres of land. It is a pristine resort intended for family use and lodge get-togethers. Normanna will celebrate their 116 year anniversary in 2027.

I am looking forward to attending many events and officer installations this upcoming fall and winter.

In lieu of monthly meetings, lodges in Zone 3 had special commemorative dinners or casual family picnics during the summer months.

In June, Leif Erikson lodge held a 40th anniversary dinner for their building. A slideshow was presented depicting the groundbreaking and construction of the lodge. Several founding members who played a key role in the building's establishment were in attendance. Leif Erikson has a wonderful facility that serves as a gathering space for members and brings the broader community together through events such as their Kaffestua, Bazaars, and Syttende Mai luncheon, among several other activities hosted by the lodge.

October 24-25 is the Nordic Market from 11 am - 4 pm. It's never to early to start your Christmas shopping.

In July, Vesterdalen hosted a picnic at Sunset Park in Auburn. A lovely park with a gorgeous view of Mt. Rainier and near Lake Tapps. It was an enjoyable way to meet members of Vesterdalen lodge. Upcoming activities hosted by Vesterdalen include monthly lodge meetings (3rd Wednesday of each month)and a Julefest Potluck on December 4th at the Messiah Lutheran Church.

On a beautiful Sunday afternoon in August, Bothell Lodge hosted its annual Classic Car Show and picnic. A variety of classic automobiles, ranging from Chryslers to MGs, were showcased by members and invited guests, making it a delightful event for everyone in attendance. This fall, Bothell will hold its annual Bazaar and Bake Sale on November 7th and the Lutefisk and Meatball Dinner on Saturday December 5th Cascade Lodge held a potluck picnic at North Park IOGT (International Organization of Good Templars), a 7 acre park located on the east side of Mercer Island. Due to rainy and cool weather, the picnic was held inside a rustic hall owned and maintained by members of the local IOGT chapter. Ted Fosberg's grandson, Karl, read a poem and played his saxophone for us. Saturday, December 12 is their annual Christmas party between 1 - 4 pm at the Mercer Island United Method Church.

The Alaska Lodges made a strong showing at the District Two Convention in Bremerton & Poulsbo this past May. All five Lodges sent representatives, and we all contributed to the Alaska Hospitality Night, the Friday night happy hour that has become a convention staple. Quite a few attendees told me that the event – with its mix of Alaskan snacks and drinks and the high spirits of partakers – was the highlight of the gathering.

FEDRELANDET LODGE 2-023 - The spring season closed with Syttende Mai, a wonderful four-day celebration that attracts visitors from all over the state and beyond. Among its highlights are a Bunad Style Show, a parade that seems to involve the whole town, and a Cafe Hus. The 2026 celebration was especially memorable as the Lodge welcomed several very special guests: Norwegian Ambassador Anniken Huitfeldt; Ole Petter Flem, her husband; Anki, her assistant; and Lisa Kristiansen, Norwegian Honorary consul for Alaska. Their presence made the special event even more special and meaningful. After a summer of enjoying the endless light, the Lodge resumed monthly meetings in September, The Potato Ball Potluck is October's major event, and soon we will be readying for Jul celebrations.

BERNT BALCHEN LODGE 2-046 - Bernt Balchen hosted the Annual Fish Ball in August, a kick-off of sorts to the fall season, Strikkekaffe started in early September, Many members are now involved in knitting and creating needlecraft projects. A few also participate in Rosemaling. The Lodge is often abuzz with activity. The first Board meeting took place in September. Members shared their frilutsiv experiences over the summer –birdwatching, hiking, and mushroom identifying. Lefse-baking days prepared the Lodge for fall dinners and Nordic Market, a major on-site event occurring in late September. October brings (or has brought) more gathering fun with the member Potluck Social and the Faar-i-kal Dinner. November and December will bring more festivities.

ARCTIC VIKING LODGE 2-117- Arctic Viking has two regular spring events that emphasize the coming months of light and – we hope – warmth: the Swedish Pancake Breakfast and Syttende Mai. Guests for this year's Breakfast included a Daily News-Miner reporter, whose article and accompanying photos brought a higher number of guests than usual to the May 17 celebration eight days later, Although we suspend our regular activities over the summer, we had monthly picnics, a canoeing event, and a book club discussion of Per Pettersen's Out Stealing Horses.

Fall has seen a return to our monthly potluck-meeting-cultural presentations the second Friday of every month. We also seek out-of- the -common activities. One member taught a class last winter making woven wagon wheel rugs; we hope he does it again. This past weekend a Norwegian visitor led a folk dancing class with 35 participating. As winter approaches, the Alaskan Lodges come together. I did not receive responses from Midnatsol Lodge or Svalbard Lodge – as I noted above, I was pleased that all Alaska Lodges played a part in the 2026 District 2 Convention and hope we can say the same in 2028.

Respectfully Submitted,

Rich Carr
Arctic Viking Lodge 2-117

INTERNATIONAL BOARD VICE CHAIR'S MESSAGE

Dynamic 2 - Fall 2026

Chris Hicks

Greetings all:
Hard to believe that we are already into Fall. It is time to regroup and start of all the activities in the local lodges – District -International.

As many of you have heard either at the convention or through the communications that have been sent out, Sons of Norway has entered into an agreement to join BetterLife, a member-founded, member-owned organization that shares our values, purpose, and commitment to community. We are excited about the opportunities that this partnership will bring for Sons of Norway. With this partnership it was important to find someone that understood the importance of Sons of Norway retaining our name, history, traditions, lodges, districts, and cultural programs. Members will continue to receive Viking magazine, and you will continue participating in the same local activities and connections that define your membership today.

The Sons of Norway Foundation will also continue to serve our members and communities and celebrate Nordic culture. As our partnership with BetterLife moves forward, we want to reassure you that the mission, values, and traditions of Sons of Norway will remain at the heart of everything we do. With Chris Campbell at the helm of BetterLife, we are confident that we have a partner who understands and embraces the importance of our heritage, our fraternal culture, and our commitment to serving members. BetterLife shares our belief that the legacy built by generations of Sons of Norway members deserves to be preserved, strengthened, and carried forward. You should have received a ballet in the mail to vote for the BetterLife financial board. To some it came as a surprise, however it was the timing with us signing the partnership papers and their schedule election. If you read the information, you will notice they all had financial background. Which is important as we move forward.

Dan Seyfried, who many of you met at the last 2 District 2 conventions, has accepted a new opportunity with another Fraternal insurance carrier. We are grateful for Dan's leadership and the many contributions he has made to our organization, and the help in crafting this partnership. At the request of the international Board of Directors, Tu Hornstra has agreed to serve as Interim Leader, and will work closely with Chris Campbell, and both organizations' leadership teams to ensure a seamless transition. Together, they will focus on maintaining continuity, supporting our members and lodges, and ensuring that the values that have guided Sons of Norway for more than 140 years continue to define our future.

INTERNATIONAL BOARD VICE CHAIR'S MESSAGE

Chris Hicks continued...

Tu's appointment to president of Sons of Norway during the transition period, will end as the financial portion moves to Betterlife later this fall. While leadership roles may change, our commitment to our members, lodges, communities, and Norwegian heritage remains unchanged. We are confident that, with Chris's leadership and Tu's guidance, Sons of Norway will continue to fulfill its mission and thrive well into the future. The current International Board of Directors will remain in place through the end of the year as the transition is completed. All papers have been signed and filed with the states, as Sons of Norway and Betterlife continue with integration and transition.

There are 18 teams from both organizations working on this. Through the end of the year please be patient with the process. Everything for the two organizations needs to be integrated from payroll to insurance, to member services, etc. Everything seems to be going well at this point. The International Board of Directors is also transitioning to a Fraternal board. Remember we are still a fraternal Benefit society and are supported by 2026 09 International VC Report - 3 - funds from the sale of financial products. This is important to communicate with our members. We still as members still need to support the organization by purchasing the Financial Products. The Fraternal Board will continue to help with the districts and local lodges. Communication for Sons of Norway should continue with trickle up system of Members going to Lodges going to Zones Directors and/or to Districts then to the Fraternal Board.

For office staff, all of the current Sons of Norway Fraternal staff have been offered positions with BetterLife. Luella Grangaard and I were appointed to the BL Community Engagement Committee. We had a very successful All Member Meeting on Monday, September 14 at Chris Campbell - BetterLife CEO was the main speaker. October is Foundation month. Together we are the Future.

November meetings at HQ for International Board of Directors /SONs Fraternal board, District President's and Foundation Board.

Fraternally,

Chris Hicks
International Vice Chair

DISTRICT 2 YOUTH CAMP REPORT

Chris Hicks

This year was a very successful camp season for all 3 camps. Everyone was very positive and committed to keeping the momentum going for next year and beyond. Our camps once again started with Trollhaugen for 13–15-year-olds. They had 20 campers, a slight increase over last year, 5 boys and 15 girls.

Dance was again a favorite activity, and they did a great job learning new and more complicated dances. Went on 2 hikes and to the waterfall and campers enjoyed woodburning, pony bead keychains, cross-stitch, and rosemaling. Would love to get a fluent (or more fluent) language teacher and concentrate on Norwegian Language.

Next was Nidaros this year with 13 campers. Crafts was a favorite with campers, and they had a Russ Theme (9-12 year-old version). Cabins will need maintenance in the Spring before next camp session, all 4 hyttes need repairs. Their director's report outlines replacing the flooring, with estimated costs for 1 hytte ($1452) or all 4 ($5,808). They are currently working on a fundraising plan. We finished the season with Normanna and 20 kids, 12 girls and 8 boys. Several of their staff were part-time, which made it a challenge, but they made it work.

Campers made pillows from vintage camp shirts, and Vanja and Olaf (Melissa and Seth) created "yearbook" for the campers to take home instead of a certificate and had them printed at a local shop! They also had an Annual inspection with the Health Department again and permits this year and they insisted it be during camp this year. They did an excellent job.

2027 Camp Registration will be $750.00 which is a $25.00 increase.

2026 camp session campers received $4500 in Sofie/Olson scholarships, $7700 local lodge scholarships (11 lodges) and $3361 Draxten. 27out of 60 campers got some kind of scholarship

Approved dates for 2027:
Trollhaugen: June 27-July 10
Nidaros: July 11-July 24
Normanna: July 25-August 7

Proposed for 2028:
Trollhaugen: June 25-July 8
Nidaros: July 9-July 22
Normanna: July 23-August 5

DISTRICT 2 YOUTH CAMP REPORT

Camp directors for 2027 will remain the same

Camp Trollhaugen – Ashley and Matt Huff
Camp Nidaros – Michael Baunsgard & Tameina Guthrie
Camp Normanna – Melissa Rude & Seth Tufteland

Thank you to Laurie Berg who spearheaded the production of the new camp promo video that was debut at the convention.

Kevin Medford from the Nordan lodge in Tacoma, traveled to all 3 camps final programs to work his magic and create this new Video highlighting the camps and campers.
We also had a fundraiser for the camp program and Patti Blegen created a Quilt that we sold raffle tickets for at the convention and all 3 camps. We will be drawing the ticket later this fall, but we have already earned over $400.00 so far.

On a side note: we held the Doreen J Parker Heritage Retreat last weekend.
We had total of 38 people including staff. This was double last years attendance so thank you to all who helped get the word out.
Our activities this year were wood carving walking sticks, needle work, knotty Nisses, copper bracelets.

Saturday evening program was put on by Joanne and Hannha graves who did a 5K pilgrimage walk in Norway this summer.

We had many new campers as well as some that had never been to Trollhaugen itself. Everyone had a great time and are ready to come back.

DISTRICT 2 SCHOLARSHIP COMMITTEE REPORT

Scholarship Committee Members

The Carl M. Saltveit Scholarship is awarded annually and covers the tuition, room, and board to attend the International Summer School at the University of Oslo. This is a permanent fund that is named to honor and remember Carl M. Saltveit Sr. who was a member of Grieg Lodge #2-015 in Portland, OR and former International Director. This year D2 had no one apply for this scholarship.

Please encourage your members to apply for this in the future. There is no age restriction. You must have completed 1 year of college and provide transcripts as proof. Our District has the Sofie/Olson Memorial Camp Scholarship. This scholarship is named after Sherrie Sofie and Bernice Olson, district officers both of whom passed away while in office.

The Sofie/Olson Scholarship is a self-sustaining fund and only the interest is used each year for scholarships. Our goal is to award a minimum of 3 scholarships each year, one to each of the Youth Camps (Camp Nidaros, Camp Normanna, and Camp Trollhaugen). This fund is now being held at the Foundation as it will be giving us a higher interest return allowing for more scholarships to be awarded. The Scholarship is still administered by the District 2 Scholarship Committee. This year we awarded This Year $4,500 for Sofie Olson. 1500.00 per camp. To help continue the growth of the Scholarship, weare selling Norwegian flag state stickers as a fundraiser. These will be available at most District 2 events at the cost of $5 each. 100% of that goes directly to the principal of the fund.They can be purchased from the District Youth Director. District 2 also uses the Draxten Memorial Scholarship Fund which was established by the late Nina Draxten of Minneapolis in memory of her father, Bersvend Draxten, the first President of Sons of Norway. This fund is set up as a matching fund and can only be used to assist campers who have received a scholarship from their local lodge.

The Draxten Fund can grant up to but not to exceed the amount awarded by the local lodge. These funds are managed by International Sons of Norway and distributed by the District Scholarship Chair.This year $3,261 was awarded to District 2 campers from this fund. We had11 Lodges provide almost $7,700 in scholarships to campers this year as well. It is a pleasure to serve on this committee and to award these scholarships to the deserving young people of our District. All District Scholarship guidelines and applications will be sent out to lodge secretaries and district officers in the first part of November. They will be sent out again in January. Please ask your lodge to announce them.

A slight breeze from Drayton Harbor complemented the beautiful Pacific Northwest weather as members gathered at the park. Throughout the day, members enjoyed games between servings from a generous potluck and a selection of delicious desserts.

Following the potluck lunch, Zone 2 Director Shirley Lovelace stepped in as master of ceremonies for Elaine Grasdock, who was recovering in the hospital after surgery for a broken hip earlier that week. TUBFRIM 2026 REPORT

Laurie Beach

TUBFRIM helps those in need

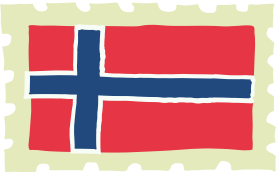

Thank you to all who have collected stamps for TUBFRIM. Congratulations to Vesterdalen Lodge No. 131 who won the drawing for $1000.00 at this year's Sons of Norway District 2 Convention.

LAST YEAR WE SHIPPED 114 POUNDS OF STAMPS!!!

So, please continue to collect them. I already have 50 pounds to send from this year's Convention, District Meetings and received at Bothell Lodge. There will be a drawing again at the next convention in 2028. Every pound of trimmed stamps gets an entry so please include the name and district number of the lodge, phone number and the name of the person who prepared the stamps. The drawing is for $1000.00. $500.00 will go to the lodge and $500.00 will go to lodge member who prepared the stamps. If only the lodge is listed the lodge will get the $1000.00. This is only for lodges and members in District 2. Forever stamps are acceptable. For the stamps that we have received since the last Convention and will receive before the next convention there will be drawing entries made and and taken to the next Convention for the drawing. As a reminder, the stamps should be trimmed with a ½ inch margin. Sorry, but I have to toss stamps that don't have a boarder. And.....don't forget the lodge name. An entry for the $1000.00 drawing can't be made without that information.

Stamps can be mailed to Bothell Lodge, PO Box 492, Bothell WA, 98041 or given to a Bothell member at a district meeting. TUBFRIM is still located in Nesbyen, where it was founded in 1929 to help eradicate tuberculosis with profits from the sale of used stamps. The profits are used today to help children and young people with disabilities and handicaps, in addition to those with serious illnesses.

If you have any questions please call Laurie Beach, District 2 Tubfrim Coordinator, at 425-736-0555 or email at beachplace21@comcast.net.

2026 CONVENTION REPORT

Dynamic 2 - Fall 2026

Paul Anunson

The convention for 2026 happened this past May 27-31 with Poulsbo Lodge hosting at the Kitsap Conference Center in Bremerton, Washington. In total we had 120 delegates from 27 lodges participate. We enjoyed having you over!

Convention began with the traditional president reception. This year we had a delicious spread of heavy appetizers while we caught up with friends and were entertained by a bunad parade of various and beautiful costumes of all parts of Norway. The marine view of the Bremerton harbor was stunning.

Opening ceremonies commenced the following day with display of fane and an address from Poulsbo mayor Ed Stern and invocation from Pastor John Hoyum from Port Madison Lutheran Church, Bainbridge Island. After business is complete, the delegation were chartered to the Poulsbo lodge for homemade meatball dinner, Norwegian sweater parade, aquavit tastings, youth dance performance and Viking bonfire. Truly an epic night!

Then Friday session continued our business, including raising our paddles to the resolutions and proposals put forth before us. After listening and learning from our BetterLife partners, CEO Dan and Foundation Amy, and other speakers, we were dismissed for the day to enjoy the city life and to gather at the hosting of the Alaskan delegation as they provided various meats, cheeses and drink from their part of the world. Delicious!

Saturday started with our remembrance of district representatives that have passed away in the past two years. The memorial is always poignant and meaningful. After wrapping up the meeting, the room was transformed to hold our final awards banquet and silent basket auction when we were able to cheer each other as we recognized each other's success.

The Poulsbo lodge is happy and grateful to have served the district in this way. We appreciate how receptive and engaged the delegates were. It made the hard work worth it! We are looking forward to seeing you all in Eugene in 2028 for the next D2 convention!
